- Recreation Ground bench repairs/replacements (Parish Clerk)  
Condition report from Mike Buckle:  
There are currently five benches at the Recreation Ground. One bench appears to be relatively new (dedicated in memory of Richard Wheeler). One bench is beyond repair, and a second is in very poor condition and considered unlikely to be viable for repair. The remaining two benches could potentially be retained, subject to sanding and re-coating; however, both are missing some back slats, which would need to be replaced separately. In summary, it is recommended that two benches be replaced and two be refurbished, subject to the availability of replacement slats.  
A quotation for the works will be provided upon confirmation of how Council wishes to proceed.

- iv. Replacement Millenium Bench (Parish Clerk)  
Delivered 9<sup>th</sup> December 2025.
